The Stayton Management's Discussion and Analysis

Overview:

Tarrant County Senior Living Center, Inc., d/b/a The Stayton at Museum Way (“The Stayton”) is a Texas not-for-profit corporation. The Stayton was formed for the purpose of constructing, owning and operating a continuing care retirement community in Fort Worth, Texas, known as The Stayton at Museum Way, providing housing, health care and other related services to its residents. Lifespace Communities, Inc. (“Lifespace”) an Iowa not-for-profit corporation, is the sole member of The Stayton.

The Stayton failed to meet the debt service coverage ratio covenant at June 30 and December 31, 2021 and June 30 and December 31, 2022. As the debt service coverage ratio is less than 1.0 at December 31, 2021, this is considered an event of default under the Master Trust Indenture. The Stayton has retained FTI Consulting, Inc. to, among other things, (i) evaluate operations and marketing strategies; and (ii) provide strategic advice on addressing financial issues. Additionally, The Stayton had previously retained Sidley Austin LLP as legal counsel. The Stayton has made the decision to change legal counsel to Polsinelli PC.

Effective March 1, 2022, UMB Bank N.A. resigned as bond trustee, master trustee, paying agent, registrar and transfer agent and BOKF, N.A. has been appointed successor bond trustee, master trustee, paying agent, registrar and transfer agent under the Master Trust Indenture and the Indenture of Trust.

On May 17, 2022, The Stayton filed a material event notice on EMMA that it has taken, or intends to take, various actions to preserve its cash position, to strengthen its future operations and to ensure continued interest from prospective residents in its community.

On June 22, 2022, The Stayton filed a material event notice on EMMA stating the failure to make the required June 15, 2022 deposit of \$538,000 with the Bond Trustee, for deposit into the Bond Fund, as required by the Loan Agreement. The Stayton also failed to make the required monthly deposits with the Bond Trustee through the current date. Restructuring professionals for The Stayton and its financial stakeholders have been working to develop a mutually agreeable forbearance agreement.

In October 2022, The Stayton drew on the Liquidity Support Agreement (“LSA”) in the amount of \$600,000. It was funded from the Lifespace Obligated Group as part of the \$3 million unfunded commitment outlined in the LSA. In addition, pursuant to the LSA, Lifespace has made a deposit of \$3 million to be held by the Stayton trustee in a liquidity support account which can also be drawn on.

On December 1, 2022, a notice of nonpayment of debt service was filed on EMMA. The purpose of the notice was to advise Bondholders that The Stayton did not remit funds for the scheduled December 1, 2022 debt service payment due on the Bonds, and that the December 1, 2022 debt service payment due on the Bonds was not paid to Bondholders.

The Stayton Management's Discussion and Analysis

On January 13, 2023, the BOKF, N.A. and The Stayton entered into a Forbearance Agreement. In conjunction with the Forbearance Agreement, BOKF, N.A., The Stayton, and Lifespace entered into the First Amendment to Liquidity Support Agreement. Pursuant to the First Amendment to Liquidity Support Agreement, the Trustee was permitted to withdraw up to \$900,000 previously deposited by Lifespace and held by the Trustee in the Liquidity Support Account to pay fees and expenses of the Trustee's counsel and advisors. The \$900,000 was withdrawn on January 13, 2023. No other substantive changes were made to the Liquidity Support Agreement.

On January 19, 2023, a notice regarding entry into a forbearance agreement was filed on EMMA.

In April 2023, The Stayton drew on the Liquidity Support Agreement ("LSA") in the amount of \$1,000,000. It was funded from the Lifespace Obligated Group as part of the \$3 million unfunded commitment outlined in the LSA.

On June 14, 2023, a notice regarding continuation of the forbearance agreement was filed on EMMA. The forbearance agreement currently runs through August 4, 2023.

As of the date of filing this report, The Stayton has one hot lead and five warm leads. Throughout 2023 The Stayton continues to host a combination of educational and lifestyles events. The Stayton's last event was a style show by a resident that owns a boutique. The Stayton's next event will showcase a jazz band. The Stayton sales team has begun hosting a monthly social event for current residents to promote friends and family referrals. Focus continues on the utilization of social media to highlight resident interests and talents while displaying the community lifestyle.

Calendar year-end financial information for December 31, 2022 and prior is provided from audited financial statements. All other financial information is obtained from unaudited financial statements.

**The Stayton
Management's Discussion and Analysis**

Six Months Ended June 30, 2023 versus Six Months Ended June 30, 2022:

The average year-to-date independent living occupancy through June 30, 2023, was 169.1 independent living homes (89.9% of the 188 available homes). The average year-to-date occupancy through June 30, 2022 was 168.6 independent living homes (89.7% of the 188 available homes).

Revenues from independent living monthly fees and related charges amounted to \$6,291,000 for the six months ended June 30, 2023, a 11.6% increase from \$5,637,000 for the same revenue sources for the same period in 2022. The increase is driven by monthly fee increases of 7.9% that were effective January 1, 2023, increased occupancy and less apartment discounts.

Revenues from the health center, assisted living, and memory support fees were \$5,722,000 for the six months ended June 30, 2023 compared to \$4,946,000 for the same period in 2022, an increase of 15.7%. The increase is driven by monthly fee increases of 7.9% that were effective January 1, 2023 and the increase in assisted living occupancy when comparing periods.

Total operating expenses, excluding depreciation and interest expense, were \$13,053,000 for the six months ended June 30, 2023, an increase of \$3,542,000 or 37.2% from comparable expenses of \$9,511,000 for the same period in 2022. Salaries and benefits increased \$517,000 or 12.0% for the six-month period, as compared to the same period in 2022, mainly due to open positions in culinary being filled and merit increases. General and administrative expense increased \$2,835,000 or 98.5% mainly due to financing related costs.

**The Stayton
Management's Discussion and Analysis**

Six Months Ended June 30, 2023 Actual versus Budget:

The Board of Directors annually approves the budget. The chart below shows line item comparisons to the board approved net operating margin, net entrance fees and capital expenditures for the period, along with the favorable and unfavorable variances.

(in thousands)	Actual	Budget	Favorable/ (Unfavorable)
Revenues			
Independent Living Fees	\$6,291	\$6,031	\$260
Skilled nursing, assisted living and memory support fees	5,722	5,376	346
	12,013	11,407	606
Expenses			
Operating expenses:			
Salaries and benefits	4,809	5,072	263
General and administrative	5,713	3,262	(2,451)
Plant operations	872	800	(72)
Housekeeping	67	113	46
Dietary	1,273	1,373	100
Medical and other resident care	319	152	(167)
	13,053	10,772	(2,281)
Net operating margin	(1,040)	635	(1,675)
Net entrance fees	-	(1,020)	1,020
Capital expenditures	510	5,993	5,483

Net operating margin is unfavorable to budget by \$1,675,000.

Independent living fees revenue is favorable to budget by \$260,000 or 4.3% primarily due to less apartment discounts than budgeted.

Skilled nursing, assisted living and memory support fees revenue is favorable to budget by \$346,000 or 6.4% due primarily to occupancy in assisted living and the health center, less hardship discounts and less lifecare discounts. The average year to date assisted living occupancy is 89.2% while the budget is 85.7%. The average year to date health center occupancy is 89.4% while the budget is 87.0%. In addition, the payor mix is impacting the favorable variance.

Salaries and benefits are \$263,000, or 5.2%, favorable to budget due primarily to better labor management. The Stayton has closely managed overtime, shift bonuses, short breaks and hours worked greater than six with no break while always focusing on quality of care and delivering exceptional service to our residents.

General and administrative costs are unfavorable to budget by \$2,451,000 or 75.1% due primarily to financing related costs.

The Stayton Management's Discussion and Analysis

Medical and other resident care costs are unfavorable to budget by \$167,000 or 109.9% due primarily to use of agency that was not budgeted.

Commencing in February 2022, The Stayton has entered into agreements with incoming residents so that their deposits are refundable in full, and the segregated funds have been or will be placed in escrow, until The Stayton resolves its defaults under the Master Trust Indenture. The result is that The Stayton is not receiving the entrance fees at this time from which it can pay refunds, but The Stayton hopes to be receiving entrance fees again soon.

Capital expenditures are favorable to budget by \$5,483,000 as a result of timing.

Ratios:

Lifespace uses the Fitch investment grade medians as benchmarks. The ratios for both the investment grade and the BBB ratings are shown in the footnote to the ratio calculation schedule.

On January 3, 2020, The Stayton completed a bond exchange of its Series 2009 Bonds for new Series 2020 Bonds issued in the amount of \$112,261,000. The Series 2020 Bonds bear interest at 5.75%, have a final maturity in 2054 and are interest only through 2024. Annual debt service in 2023 is \$6,455,000. Maximum annual debt service is \$7,520,000.

The Series 2020 Bonds have an occupancy covenant, historical debt service coverage ratio covenant and a liquidity covenant. The occupancy covenant is 88% independent living apartments and is tested quarterly. The testing dates for the debt service coverage ratio and the liquidity covenant are June 30 and December 31 and began on June 30, 2021. The debt service coverage ratio covenant level is 1.10 for the first two testing dates and 1.20 thereafter. The liquidity covenant level is 120 days cash on hand. Calculation of days cash on hand includes remaining amounts available from the \$6.0 million liquidity support agreement provided by Lifespace. At June 30, 2023, The Stayton was not in compliance with the occupancy covenant. No action is required until there are two consecutive quarters below the 88% occupancy covenant. The Stayton was in compliance with the liquidity covenant until June 30, 2022. As the debt service coverage ratio is less than 1.0 at December 31, 2021, this is considered an event of default under the Master Trust Indenture. The Stayton remains at a debt service coverage ratio that is less than 1.0 at June 30, 2022.

Liquidity and Capital Requirements – Six Months Ended June 30, 2023 versus Six Months Ended June 30, 2022:

There were no cash proceeds from entrance fees and deposits (refundable and non-refundable), net of refunds, in 2023 compared to (\$2,510,000) in 2022. The Stayton pays out refunds in the order of the refund queue. The timing of refunds according to the queue heavily influences the net entrance fees. As stated previously, entrance fees received are segregated and in escrow. The funds are not available for payment of the refund queue currently. As of June 30, 2023, the balance was \$9,113,000.

The Stayton Management's Discussion and Analysis

Daily operating expenses for the six months ended June 30, 2023 increased to \$90,000 from \$70,000 for the six months ended June 30, 2022, a change of 27.8%. The overall unrestricted cash position decreased from \$1,756,000 at June 30, 2022 to \$653,000 at June 30, 2023, a change of 62.8%.

The table below shows the amount drawn on the \$6 million LSA provided by Lifespace.

	<u>Unfunded Commitment</u>	<u>Funded Commitment</u>	<u>Total Commitment</u>
	\$3,000,000	\$3,000,000	\$6,000,000
October 2022	(600,000)	-	(600,000)
January 2023	-	(900,000)	(900,000)
April 2023	(1,000,000)	-	(1,000,000)
Total remaining	\$1,400,000	\$2,100,000	\$3,500,000

Capital expenditures for the community for the six months ended June 30, 2023 were \$510,000, while depreciation expense for the same period was \$2,133,000. Capital expenditures for the community for the six months ended June 30, 2022 were \$1,115,000, while depreciation expense for the same period was \$1,846,000.

To evaluate the financial aspect of the needed re-investment in the community, Lifespace management targets capital expenditures for all communities it manages as a percentage of depreciation in the range of 70% to 130%. This ratio is monitored on a 5-year historical view to assist with the annual capital expenditure decisions. The 5-year historical ratio for The Stayton at December 31, 2022 is 28% and falls well below the targeted range of Lifespace guidelines. It is not unusual to fall below the 70% of depreciation for a community that has been in service less than 15 years. Routine capital projects are expected to be funded from internal cash flows.

Forward-Looking Statements:

This document contains various “forward-looking statements”. Forward-looking statements represent our expectations or beliefs concerning future events. The words “plan”, “expect”, “estimate”, “budget” and similar expressions are intended to identify forward-looking statements. We caution that these statements are further qualified by important factors that could cause actual results to differ materially from those in the forward-looking statements, including without limitations the factors described in this document.

We ask you not to place undue reliance on such forward-looking statements because they speak only of our views as of the statement dates. Although we have attempted to list the important factors that presently affect The Stayton’s business and operating results, we further caution you that other factors may in the future prove to be important in affecting The Stayton’s results of operations. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise.

(a) The financial ratios that are required by the financing documents beginning in June 2021.

(b) The financial ratios that are monitored monthly by Lifespace.

(c) Latest FITCH for Investment Grade medians used as benchmarks are as follows: net operating margin of 6.5%, net operating margin, adjusted of 22.5%, maximum annual debt service of 2.5 times, days cash on hand of 528 and adjusted debt to capitalization of 54.0%. The latest "BBB" ratings are as follows: net operating margin of 6.7%, net operating margin, adjusted of 23.0%, maximum annual debt service of 2.2 times, days cash on hand of 496 and adjusted debt to capitalization of 61.1%.

(d) The debt service coverage ratio covenant is 1.1 times with the first testing date of June 2021 and the second testing date of December 2021. Thereafter, the debt service coverage ratio is 1.2 times.

(e) Lifespace has provided a \$6.0 million liquidity support agreement. In accordance with the 2020 bond documents, amounts available under this agreement are included in days cash on hand. The liquidity support pay out occurred in October 2022 for \$600,000, January 2023 for \$900,000 and April 2023 for \$1,000,000.

(f) Entrance fee proceeds received in 2022 are held in escrow and will not be included in the net entrance fees used for the debt service coverage ratio.

The table below summarizes the current period entrance fee turnover activity.

Net Entrance Fee Turnover				
Fundings per the queue				
	Entrance Fee Receipts	Monthly Additions to Refund Queue	Remaining Unfunded	Entrance Fee Turnover
End of 2022			(6,995,831)	-
January	-	(227,927)	(7,223,758)	-
February	-	(304,878)	(7,528,636)	-
March	-	-	(7,528,636)	-
April	-	(1,771,145)	(9,299,781)	-
May	-	(1,350,496)	(10,650,277)	-
June	-	(508,310)	(11,158,587)	-

Note: Currently, funds in the segregated entrance fee escrow account ("Escrow Account") can only be used to pay refunds to those residents that deposited into the Escrow Account. As of June 30, 2023, there are no residents awaiting refunds from the Escrow Account. During the month of June, \$1.2 million in refunds were paid to residents that deposited into the Escrow Account, which are not reflected in the above table.
