Management's Discussion and Analysis

Six Months Ended June 30, 2025 versus Six Months Ended June 30, 2024:

The average year-to-date independent living occupancy through June 30, 2025, was 2,550 independent living homes (86.8% of the 2,936 average available homes). The average year-to-date occupancy through June 30, 2024 was 2,502 independent living homes (82.0% of the 3,051 average available homes). The change in average available homes from March 31, 2024 to the same period in 2025 is due to new independent living units at Oak Trace and The Waterford which is offset by three communities that combined smaller apartments and the sale of Abbey Delray on March 31, 2025.

Revenues from independent living monthly fees and related charges amounted to \$93,711,000 in 2025, a 5.2% increase over \$89,077,000 from the same revenue sources in 2024. The increase is due mainly to occupancy and monthly fee increases and offset by lower processing fees. Independent living occupancy grew to 2,416 (86.4% of the 2,796 available) at June 30, 2025 from 2,363 (84.3% of the 2,804 available) at June 30, 2024, excluding Abbey Delray. Monthly fees increased in a range of 4.0% to 6.9%. Some community's increases were effective January 1, 2025 while others were effective February 1, 2025. Processing fees are lower due to less year-to-date closings in 2025 of 116 than in 2024 of 264 due to Oak Trace's new Independent Living apartments that opened in early 2024.

Revenues from the health center, assisted living, and memory support fees were \$76,419,000 in 2025 compared to \$73,113,000 in 2024, an increase of 4.5%. This increase is due mainly to the monthly fee increase. Monthly fee increases ranged from 4.5% to 7.0%. Some community increases were effective January 1, 2025 with others were effective February 1, 2025. In addition, year-to-date average occupancy in the health center, assisted living and memory support are all higher in 2025 versus 2024.

Total operating expenses, excluding depreciation, amortization, interest expense, and loss on disposal of property were \$159,191,000 in 2025, an increase of \$8,924,000 or 5.9% from comparable expenses of \$150,267,000 in 2024. Salaries and benefits increased \$3,321,000 or 4.1% due primarily to merit increases effective January 1, 2025 and filled positions that were vacant in the prior period including positions that were previously filled by agency. General and administrative expense increased \$5,519,000 or 14.4% due primarily to travel, consulting/outsourcing services, real estate taxes, network, data center and interest access, bad debt, and damage claims paid. Plant operations increased \$792,000 or 7.6% due primarily to utilities. Dietary expense increased \$1,151,000 or 7.9% due primarily to increased occupancy in all levels of living. Medical and other resident care decreased \$1,823,000 or 34.7% due primarily to less agency spend as positions are filled and increasing salaries and benefits.

Assisted Living budgeted an average year to date occupancy of 93.3% and has actual occupancy of 95.4%. Memory Care budgeted an average year to date occupancy of 92.6% and has actual occupancy of 96.0%. All excluding Abbey Delray.

Salaries and benefits are \$2,857,000, or 3.3%, favorable to budget due primarily to better labor management. Lifespace has closely managed overtime, shift bonuses, short breaks and hours worked greater than six with no break while always focusing on quality of care and delivering exceptional service to our residents.

General and administrative expenses are \$2,679,000, or 6.5%, unfavorable to budget due primarily to consulting/outsourcing fees, legal fees, bad debt and damage claims paid.

Management's Discussion and Analysis

Plant operations expenses are \$679,000, or 6.4%, unfavorable to budget due primarily to utilities.

Medical and other resident care expense is unfavorable to budget by \$726,000, or 26.8%, due primarily to agency staff usage and transportation.

Net entrance fees are unfavorable to budget by \$5,637,000. The budget for the six months ended June 30, 2025 had 177 closings compared to the actual closings of 116. While closings fell short of budgeted expectations, gross entrance fee deposits exceeded budget and refunds were below budget.

Capital expenditures financed with bond proceeds and routine and community projects are less than budgeted by \$12,373,000 and \$3,286,000, respectively. These are the result of timing.

Management's Discussion and Analysis

On December 19, 2024, Lifespace Communities successfully completed a bond financing of Series 2024A and B with Iowa Finance Authority. Lifespace received proceeds from the issuance of \$149 million. The proceeds from these bonds i) refinanced the Iowa Finance Authority Revenue Bonds (Lifespace Communities, Inc.) Series 2021D, approximately \$53,000,000, ii) refinanced the Newcastle Place Loan in the outstanding principal amount, approximately \$57,000,000, and iii) funded various capital investment projects. As part of the financing, Newcastle Place, LLC became a Member of the Obligated Group.

Lifespace has secured a line of credit with a bank for \$25 million to support the redevelopment efforts and various board approved projects. The terms and covenants of the line of credit follow the master trust indenture. As of June 30, 2025, the outstanding amount borrowed on the line of credit is \$18.1 million.

One community is in the process of significant construction currently. The community is using proceeds from the Series 2022 Bonds. As with any construction project, the timing of expenditures and the project budget can change through the passage of time or as the project advances in development. The monthly Redevelopment Project Status Report filed on EMMA provides additional details regarding the construction projects.

Management continuously reviews and prioritizes the needs at each of the Communities to determine what is needed to enhance the Community, fill service gaps, stay competitive in the market place and grow. There is no guarantee that the Lifespace will complete all the projects, that the scope will not be materially altered or that additional Communities will not be added.

On November 21, 2024, Fitch reaffirmed the Obligated Group's 'BBB' credit rating, while improving the outlook from negative to stable.

When Newcastle Place joined the Obligated Group in December 2024, Lifespace discharged the subordinate bonds and terminated the Liquidity Support Agreement.
