Nine Months Ended September 30, 2025 versus Nine Months Ended September 30, 2024:

The average year-to-date independent living occupancy through September 30, 2025, was 2,495 independent living homes (86.3% of the 2,891 average available homes). The average year-to-date occupancy through September 30, 2024 was 2,544 independent living homes (83.2% of the 3,058 average available homes). The change in average available homes from September 30, 2024 to the same period in 2025 is due to new independent living units at Oak Trace and The Waterford which is offset by three communities that combined smaller apartments and the sale of Abbey Delray on March 31, 2025.

Revenues from independent living monthly fees and related charges amounted to \$141,971,000 in 2025, a 5.2% increase over \$134,942,000 from the same revenue sources in 2024. The increase is due mainly to occupancy and monthly fee increases and offset by lower processing fees. As previously mentioned, the average year-to-date occupancy has increased to 86.3% as of September 30, 2025 from 83.2% for the same period ending 2024. Monthly fees increased in a range of 4.0% to 6.9%. Some community's increases were effective January 1, 2025 while others were effective February 1, 2025. Processing fees are lower due to less year-to-date closings in 2025 of 204 than in 2024 of 396 due to Oak Trace's new Independent Living apartments that opened in early 2024.

Revenues from the health center, assisted living, and memory support fees were \$116,200,000 in 2025 compared to \$110,343,000 in 2024, an increase of 5.3%. This increase is due mainly to the monthly fee increases and higher occupancy. Monthly fee increases ranged from 4.5% to 7.0%. Some community increases were effective January 1, 2025 with others were effective February 1, 2025. In addition, year-to-date average occupancy in the health center, assisted living and memory support are all higher in 2025 versus 2024.

Total operating expenses, excluding depreciation, amortization, interest expense, and loss on disposal of property were \$238,838,000 in 2025, an increase of \$11,631,000 or 5.1% from comparable expenses of \$227,207,000 in 2024. Salaries and benefits increased \$3,963,000 or 3.2% due primarily to merit increases effective January 1, 2025 and filled positions that were vacant in the prior period including positions that were previously filled by agency. General and administrative expense increased \$6,560,000 or 11.2% due primarily to travel, consulting/outsourcing services, centralized systems and services, real estate taxes, network, data center and interest access, and damage claims paid. Plant operations increased \$1,141,000 or 7.1% due primarily to repairs and maintenance, cable/satellite television, and utilities. Dietary expense increased \$1,481,000 or 6.7% due primarily to increased occupancy in all levels of living. Medical and other resident care decreased \$1,523,000 or 21.2% due primarily to less agency spend as positions are filled and increasing salaries and benefits.

Net operating margin is favorable to budget by \$2,755,000.

Independent living fees are unfavorable to budget by \$871,000 mainly due to lower processing fees. Processing fees were budgeted for 298 move-ins and actual move-ins were 204.

Skilled nursing, assisted living and memory support fees are favorable to budget by \$5,036,000 due primarily to higher occupancy than budgeted in the health center, assisted living and memory support. The health center budgeted an average year to date occupancy of 90.2% and has actual occupancy of 92.1%. Assisted Living budgeted an average year to date occupancy of 93.3% and has actual occupancy of 95.9%. Memory Care budgeted an average year to date occupancy of 92.9% and has actual occupancy of 95.9%. All excluding Abbey Delray.

Salaries and benefits are \$5,221,000, or 4.0%, favorable to budget due primarily to better labor management. Lifespace has closely managed overtime, shift bonuses, short breaks and hours

worked greater than six with no break while always focusing on quality of care and delivering exceptional service to our residents.

General and administrative expenses are \$3,480,000, or 5.7%, unfavorable to budget due primarily to consulting/outsourcing fees, legal services, bank charges, liability and property insurance, supplies, network, data center, and internet access, bad debt and damage claims paid.

Plant operations expenses are \$1,318,000, or 8.3%, unfavorable to budget due primarily to utilities and cable/satellite television.

Medical and other resident care expense is unfavorable to budget by \$1,594,000, or 39.2%, due primarily to agency staff usage and transportation.

Net entrance fees are unfavorable to budget by \$8,711,000. The budget for the nine months ended September 30, 2025 had 298 closings compared to the actual closings of 204.

Capital expenditures financed with bond proceeds and routine and community projects are less than budgeted by \$11,893,000 and \$4,392,000, respectively. These are the result of timing.

To evaluate the financial aspect of the needed re-investment in the communities, management targets capital expenditures as a percentage of depreciation in the range of 70% to 130%. This ratio is monitored on a 5-year historical view and a 10-year forecast period to assist with the annual capital expenditure decisions. The 5-year historical ratio for the Obligated Group at December 31, 2024 is 208% which is higher than the range as a result of the projects. The redevelopment projects and several community projects are mostly funded with long-term debt and internal cash. Routine capital projects are expected to be funded from internal cash flows.

On December 19, 2024, Lifespace Communities successfully completed a bond financing of Series 2024A and B with Iowa Finance Authority. Lifespace received proceeds from the issuance of \$149 million. The proceeds from these bonds i) refinanced the Iowa Finance Authority Revenue Bonds (Lifespace Communities, Inc.) Series 2021D, approximately \$53,000,000, ii) refinanced the Newcastle Place Loan in the outstanding principal amount, approximately \$57,000,000, and iii) funded various capital investment projects. As part of the financing, Newcastle Place, LLC became a Member of the Obligated Group.

Lifespace has secured a line of credit with a bank for \$25 million to support the redevelopment efforts and various board approved projects. The terms and covenants of the line

of credit follow the master trust indenture. As of September 30, 2025, the outstanding amount borrowed on the line of credit is \$18.1 million.

One community is in the process of significant construction currently. The community is using proceeds from the Series 2022 Bonds. As with any construction project, the timing of expenditures and the project budget can change through the passage of time or as the project advances in development. The monthly Redevelopment Project Status Report filed on EMMA provides additional details regarding the construction projects.

Management continuously reviews and prioritizes the needs at each of the Communities to determine what is needed to enhance the Community, fill service gaps, stay competitive in the market place and grow. There is no guarantee that the Lifespace will complete all the projects, that the scope will not be materially altered or that additional Communities will not be added.

On November 21, 2024, Fitch reaffirmed the Obligated Group's 'BBB' credit rating, while improving the outlook from negative to stable.
