Net operating margin is favorable to budget by \$6,302,000.

Independent fees are favorable to budget by \$4,695,000 due primarily to the mix of occupied units, more second persons and miscellaneous rental income. The actual average monthly fee is approximately \$5,085 versus the budgeted average monthly fee of \$4,965. In addition, there are 24 more second persons than budgeted. The miscellaneous rental income is temporary rental income which is offset by various costs required to maintain pre-existing leases on a recent land purchase adjacent to a Lifespace community.

**Current Operations**

On April 23, 2026, the Corporation successfully completed a bond financing of Series 2026A and B with Iowa Finance Authority and Palm Beach County Health Facilities Authority. The Corporation received proceeds from the issuance of \$98 million. The proceeds from these bonds will fund The Waterford's Phase 2 redevelopment project and various other capital investment projects within the other Obligated Group communities. The official statement is posted on EMMA for further details.

The Corporation has secured a line of credit with a bank for \$25 million to support the redevelopment efforts and various board approved projects. The line of credit is secured by the 2018C Master Note, issued pursuant to the Master Trust Indenture. As of June 30, 2026, the outstanding amount borrowed on the line of credit is \$2.8 million. The maturity date for the line of credit has been extended to August 28, 2027.

In addition to The Waterford's Phase 2 redevelopment, one community is in the process of significant construction currently. The community is using proceeds from the Series 2026 bonds. As with any construction project, the timing of expenditures and the project budget can change

through the passage of time or as the project advances in development. The monthly Redevelopment Project Status Report filed on EMMA provides additional details regarding three construction projects at various communities.

The Corporation has entered into a letter of intent and member substitution agreement with Teresian House Housing Corporation (“THHC”), a not-for-profit corporation organized and existing under the laws of the State of New York. Upon closing of the member substitution, the Corporation would become the sole member of THHC which is currently the owner and operator of approximately 152 independent living units consisting of 128 one and two bedroom apartments and 24 duplex cottages and related senior care living facilities known as the Avila Retirement Community (the “Avila Facility”) located on approximately 13 acres of land located at 100 White Pine Drive in the City of Albany, Albany County, New York. If the member substitution occurs it is not anticipated that THHC will become a member of the Obligated Group, but the Corporation will provide a Liquidity Support Agreement in support of THHC in an amount not to exceed \$5,000,000.

The Corporation has entered into a letter of intent to acquire an interest in adjacent lines of business in an amount not to exceed \$35,000,000, and such acquisition is intended to be financed by the issuance of additional taxable indebtedness pursuant to the Master Trust Indenture.

The Corporation has also entered into a purchase and sale agreement for the purchase of property adjacent to the Corporation’s Querencia community. The property acquisition is in an amount not to exceed \$14,000,000 of which a portion is intended to be financed by the issuance of additional taxable indebtedness pursuant to the Master Trust Indenture.

The Corporation has created several related entities for the purpose of entering into certain other related adjacent business lines with the creation of Lifespace Adjacent Holdings, Inc., a Delaware nonprofit corporation (“LAHI”). It is anticipated LAHI will be operated for purposes of providing hospice care and related businesses with respect to senior care facilities.

Management continuously reviews and prioritizes the needs at each of the Communities to determine what is needed to enhance the Community, fill service gaps, stay competitive in the marketplace and grow. There is no guarantee that the Corporation will complete all the projects, that the scope will not be materially altered or that additional Communities will not be added.

On November 6, 2025, Fitch reaffirmed the Obligated Group’s ‘BBB’ credit rating with and Stable outlook.
